## INDEPENDENT AUDITORS' REPORT

Office of the Secretary  
Department of Housing and Community Development

We have audited the accompanying financial statements of the Community Development Administration Residential Revenue Bonds (the Fund) of the Department of Housing and Community Development of the State of Maryland as of and for the year ended June 30, 2003, as listed in the table of contents. These financial statements are the responsibility of the Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Fund as of and for the year ended June 30, 2002, were audited by other auditors whose report, dated September 30, 2002, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note A, the financial statements present only the Community Development Administration Residential Revenue Bonds and do not purport to, and do not, present fairly the financial position of the Department of Housing and Community Development of the State of Maryland as of June 30, 2003, and the changes in its net assets and cash flows, where applicable, thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the 2003 financial statements referred to above present fairly, in all material respects, the financial position of the Community Development Administration Residential Revenue Bonds of the Department of Housing and Community Development of the State of Maryland as of June 30, 2003, and the changes in its net assets and cash flows, where applicable, thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The Supplemental Disclosure of Change in Fair Value of Investments is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in our audit of the basic financial statements and, accordingly, we express no opinion on it.

June 30, 2003 and 2002

NOTE A - AUTHORIZING LEGISLATION AND PROGRAM DESCRIPTION

The Community Development Administration (CDA) was created in 1970 by Sections 266 DD-1 to 266 DD-8 of Article 41 (now in Article 83B, Sections 2-201 through 2-208) of the Annotated Code of Maryland to meet the shortage of adequate, safe and sanitary housing in the State of Maryland, particularly for persons or families of limited income. CDA is in the Division of Development Finance in the Department of Housing and Community Development (DHCD) of the State of Maryland.

The accompanying financial statements only include CDA's Residential Revenue Bonds (the Fund). CDA's other Funds are not included. The Fund was established to issue bonds to primarily originate or purchase single family mortgage loans.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Fund is set up in accordance with CDA's enabling legislation and the Residential Revenue Bond Resolution (Resolution). The Fund is an enterprise fund of the State of Maryland and uses the accrual basis of accounting.

Generally Accepted Accounting Principles

CDA reports its financial activities by applying Standards of Governmental Accounting and Financial Reporting as promulgated by the Governmental Accounting Standards Board (GASB). CDA has adopted GASB Statement No. 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities that Use Proprietary Fund Accounting*. Consequently, CDA applies all applicable GASB pronouncements as well as Financial Accounting Standards Board (FASB) Statements and Interpretations, APB Opinions, and ARBS of the Committee on Accounting Procedure issued on or prior to November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements.

Residential Revenue Bonds

NOTES TO FINANCIAL STATEMENTS - CONTINUED  
(in thousands)

June 30, 2003 and 2002

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Under GASB Statement No. 34, net assets should be reported as restricted when constraints placed on net asset use are either: externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or are imposed by law through constitutional provisions or enabling legislation. Accordingly, all net assets of the Fund are restricted as to their use as all net assets are pledged to bondholders.

The Annual Financial Report normally includes a Management's Discussion and Analysis. Since CDA is an enterprise fund included in the State of Maryland's Comprehensive Annual Financial Report, a separate Management's Discussion and Analysis is not required in these financial statements.

Cash and Cash Equivalents on Deposit with Trustee

Cash on deposit is primarily cash equivalents. Cash equivalents may include money market funds, repurchase agreements, investment agreements and any other investments, primarily U.S. Treasury and agencies, which have maturities of 90 or less days at the time of purchase. As of June 30, 2003 and 2002, all of CDA's cash equivalents are invested in a money market mutual fund which is more fully described in Note C.

Investments

Investments are principally governmental debt securities or investments collateralized by governmental debt securities. These securities are stated at fair value, based on quoted market prices. Investments are classified as current or long-term based on the maturity date or call date, if exercise of the call within the next fiscal year is probable. Investments are more fully described in Note C.

Mortgage Loans

Mortgage loans are carried at their unpaid principal balances, net of unamortized loan fees. Loan fees are deferred over the life of the related loans and amortized using the effective interest method. All mortgage loans in foreclosure with a pending insurance claim are recorded as other receivables. See Notes D and M for additional information on mortgage loans and mortgage insurance, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Allowance for Loan Losses

Substantially all the mortgage loans of the Funds are insured or guaranteed by agencies of the U.S. Government. As such, no allowance for loan losses was necessary as of June 30, 2003 and 2002.

Accrued Interest and Other Receivables

Accrued interest and other receivables include outstanding claims on insured mortgage loans and interest on investments. On insured single family loans, interest ceases to accrue after foreclosure. See Note E for additional information.

Deferred Bond Issuance Costs

Costs incurred in issuing bonds are capitalized and amortized using the effective interest method for each respective bond issue. When bonds are redeemed early with mortgage prepayments, a proportionate share of the remaining unamortized costs is recognized as a loss on the Statements of Revenue, Expenses and Changes in Net Assets.

Due From (To) Other Funds

Due from (to) other funds records the pending transfers of cash between funds which is primarily a result of receipts due to one fund, but received by another, as more fully described in Note L.

Bonds Payable

Bonds payable are carried at their unpaid principal balances, net of unamortized deferred gain or loss for bonds refunded for economic purposes and original issue discounts/premiums. See Notes F, G, H and I for more information.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Rebate Liability

Regulations governing the issuance of tax-exempt debt place limitations on permitted investment yield on borrowed funds. Based on these regulations, CDA is required to periodically rebate excess earnings from investments to the United States Treasury. In addition, the liability also includes an estimate of the rebate obligation related to unrealized gains as a result of recording investments at fair value. Rebate liability is more fully described in Note J.

Yield Limitations

All mortgage loans are subject to yield limitations under the Internal Revenue Service Code (the Code) in order for the associated bonds to maintain their tax-exempt status. At the time of bond issuance, CDA determines the permitted mortgage yield on the loans. In certain bond refunding transactions, CDA transfers loans from prior series of bonds to the refunding series. CDA monitors the yield on these transferred loans to ensure that the composite yield over the term of the bonds is within the yield limitations of the Code. If at any time the composite yields on the transferred loans are out of compliance with the Code, CDA has certain remedies available to bring the yield into compliance. As of June 30, 2003 and 2002, all mortgage loan yield calculations are in compliance with the Code.

Interest on Mortgage Loans

Interest on mortgage loans is calculated using the effective interest method.

Fee Income

Single family commitment fees are deferred over the life of the loan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Support

In addition to expenses incurred directly by the Fund, CDA receives certain support services from other divisions of DHCD. The cost of these services has been allocated to CDA's General Bond Reserve Fund. The General Bond Reserve Fund records these expenses as invoiced by DHCD for the fiscal year.

For the years ended June 30, 2003 and 2002, the costs for all of CDA's bond programs charged to CDA's General Bond Reserve Fund were:

	<u>2003</u>	<u>2002</u>
Salaries and related costs	\$ 5,473	\$ 5,646
General and administrative expenses	<u>2,350</u>	<u>1,977</u>
	<u>\$ 7,823</u>	<u>\$ 7,623</u>

The employees of CDA are covered by the Maryland State Retirement and Pension System (the System) and the costs of employees' retirement benefits are included in the salaries and related costs discussed above. See Note N for additional information.

Revenue and Expenses

CDA distinguishes operating revenue and expenses from nonoperating items. Operating revenue and expenses generally result from the mortgage loans purchased or originated by CDA in connection with CDA's principal ongoing operations. Operating revenue arises from the collection of interest and fees on mortgage loans. Operating expenses are those costs incurred in the collection of this income. All revenue and expenses not meeting this definition are reported as nonoperating revenue and expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue, expenses, gains and losses during the reporting period. Actual results could differ from these estimates.

NOTE C - CASH, CASH EQUIVALENTS AND INVESTMENTS

Proceeds from bonds are invested in authorized investments as defined in the Resolution until required for purchasing or originating mortgage loans, funding reserves, redeeming outstanding bonds and notes, and funding program expenses. Authorized investments include obligations of the U.S. Treasury, U.S. Government agencies, political subdivisions in the United States, bankers' acceptances, repurchase agreements, corporate debt securities and certificates of deposit with foreign or domestic banks. All CDA accounts held in trust by the trustee are kept separate from the assets of the bank and from other trust accounts.

Cash and Cash Equivalents

As of June 30, 2003 and 2002, the Fund had \$116,471 and \$75,997, respectively, invested in a money market mutual fund (ARK U.S. Government Cash Management Corporate II Class Fund) which is classified as cash equivalents. This fund invests exclusively in obligations of the U.S. Government and its agencies and instrumentalities and in repurchase agreements. It is rated AAA by Standard & Poor's and Aaa by Moody's Investors Services.

As of June 30, 2003 and 2002, the cost of this money market mutual fund approximates fair value.

The money market mutual fund is not categorized by credit risk because it is not evidenced by securities that exist in physical or book entry form.

NOTE C - CASH, CASH EQUIVALENTS AND INVESTMENTS (Continued)

Investments

Obligations of U.S. Government agencies are held in CDA's account by the trustee.

For repurchase agreements and guaranteed investment contracts, collateral is held by the trustee of the Fund or its agent. The agreements and contracts are at fixed interest rates, with maturities ranging from one year up to 29 years.

As of June 30, 2003, the amortized cost and fair value of the Fund's investments, by type of investment, were as follows:

	Fair Value	Amortized Cost
Obligations of the U.S. Government agencies	\$ 117,543	\$ 116,578
Securities held under repurchase agreements or guaranteed investment contracts	70,920	70,920
	\$ 188,463	\$ 187,498

As of June 30, 2002, the amortized cost and fair value of the Fund's investments, by type of investment, were as follows:

	Fair Value	Amortized Cost
Obligations of the U.S. Government agencies	\$ 101,149	\$ 100,728
Securities held under repurchase agreements or guaranteed investment contracts	152,352	152,352

NOTE C - CASH, CASH EQUIVALENTS AND INVESTMENTS (Continued)

Category of Risk

Investments are classified as to credit risk by the three categories described below:

- Category 1 - Insured or registered, with securities held by CDA or its agent in CDA's name.
- Category 2 - Uninsured and unregistered, with securities held by the counterparty's trust department in CDA's name.
- Category 3 - Uninsured and unregistered, with securities held by the counterparty, or by its trust department or agent, but not in CDA's name.

All investments of the Fund are classified as Category 1.

NOTE D - MORTGAGE LOANS

Substantially all mortgage loans are secured by first liens on the related property and are credit enhanced through the FHA mortgage insurance programs, the Veterans Administration or USDA/RD guarantee programs. As of June 30, 2003 and 2002, interest rates on such loans ranged from 4.0% to 7.5%, with remaining loan terms ranging from 22 to 30 years.

NOTE E - ACCRUED INTEREST AND OTHER RECEIVABLES

Accrued interest and other receivables as of June 30, 2003 and 2002 were as follows:

	<u>2003</u>	<u>2002</u>
Accrued mortgage loan interest	\$ 7,591	\$ 4,736
Accrued investment interest	1,334	3,058
Claims due from mortgage insurers	<u>4,849</u>	<u>2,184</u>

NOTE F - SHORT-TERM DEBT

CDA issues short-term debt to preserve volume cap when prepayments and payments from mortgages exceed the demand for new mortgages. Proceeds of the short-term debt are used to refund and to pay at maturity prior series of bonds. At the time of the refunding, prepayments and repayments of mortgage loans financed by these prior bonds are transferred to accounts in the short-term series. CDA expects to make these funds available to purchase mortgage loans upon the maturity or earlier redemption of the short-term bonds with proceeds of additional long-term bonds. By issuing the short-term debt, CDA more closely matches the rates on the short-term debt with the rates on short-term investments. When there is sufficient mortgage demand, CDA issues long-term refunding bonds to redeem the short-term debt and the prepayments and repayments are used to fund new mortgages.

Short-term debt activity for the year ended June 30, 2003 was as follows:

	Balance at June 30, 2002	Issued	Matured/ redeemed	Balance at June 30, 2003
Residential Revenue Bonds				
2002 Series B	\$ 36,745	\$ -	\$ 36,745	\$ -
2002 Series C	60,530	-	60,530	-

Total	<u>\$ 97,275</u>	<u>\$ 109,945</u>	<u>\$ 97,275</u>	<u>\$ 109,945</u>

The short-term debt of \$109,945 plus the principal payments due within one year of \$60,780 equal the current portion of bonds payable and short-term debt of \$170,725 on the Balance Sheet.

NOTE F - SHORT-TERM DEBT (Continued)

Short-term debt activity for the year ended June 30, 2002 was as follows:

	Balance at June 30, 2001	Issued	Matured/ redeemed	Balance at June 30, 2002
Residential Revenue Bonds				
2001 Series C	\$ 11,220	\$ -	\$ 11,220	\$ -

Total	<u>\$ 59,180</u>	<u>\$ 97,275</u>	<u>\$ 59,180</u>	<u>\$ 97,275</u>

The short-term debt of \$97,275 plus the principal payments due within one year of \$9,875 equal the current portion of bonds payable and short-term debt of \$107,150 on the Balance Sheet.

NOTE G - BONDS PAYABLE

The bonds and notes issued by CDA are special obligations of CDA and are payable from the revenue and special funds of the applicable programs. These bonds and notes do not constitute debt and are not guaranteed by the State of Maryland or any other program of the State of Maryland or any political subdivision. The provisions of the Resolution require or allow for the redemption of bonds through the use of unexpended bond proceeds and excess funds accumulated primarily through prepayment of mortgage loans. All outstanding bonds are subject to redemption at the option of CDA, in whole or in part at any time after certain dates, as specified in the respective series resolutions. The prescribed redemption prices range from 100% to 102% of the principal amount. All bonds have fixed interest rates.

NOTE I - BOND REFUNDINGS

Certain refundings of debt are due to the prepayments of single family mortgage loans. In these cases, CDA transfers the proceeds of the refunding bonds to a redemption account to redeem previously issued bonds and, simultaneously, transfers the prepayments of single family mortgage loans financed by these prior bonds to the refunding bonds' accounts for the purpose of originating new loans. This recycling of prepayments enables CDA to originate new loans that are not subject to the limitations of the IRS volume cap. CDA does not pay call premiums on these special redemptions, and the refundings are not undertaken to reduce interest rates, revise payment schedules or modify restrictions. CDA writes off any unamortized deferred issuance costs or original issue discounts, net of unamortized original issue premiums, as a loss in the accompanying Statements of Revenue, Expenses and Changes in Net Assets.

NOTE J - REBATE LIABILITY

In accordance with the Internal Revenue Service Code (the Code), the Fund has recorded a rebate liability for excess investment earnings in tax-exempt bond and note issues. The excess investment earnings arise due to actual investment yields earned by the Fund being greater than yields permitted to be retained by the Fund under the Code. The Code requires 90% of such excess investment earnings to be remitted to the United States Treasury every five years and in full at the final redemption of the bonds. Interest income on the Statements of Revenue, Expenses and Changes in Net Assets is reduced by the rebate liability due to excess investment earnings. The increase/decrease in fair value of investments on the Statements of Revenue, Expenses and Changes in Net Assets is reduced by the estimated rebate liability due to unrealized investment gains.

Rebate liability activity for the year ended June 30, 2003 was as follows:

Rebate liability as of June 30, 2002	\$ 2,272
Change in estimated liability due to excess investment earnings	(43)
Change in estimated liability due to unrealized gains on investments	544
Less payments made	<u>(455)</u>
Rebate liability as of June 30, 2003	<u><u>\$ 2,318</u></u>

Total rebate liability is allocated as follows:

Estimated liability due to excess investment earnings	\$ 1,465
Estimated liability due to unrealized gains on investments	<u>853</u>
Rebate liability as of June 30, 2003	<u><u>\$ 2,318</u></u>

Rebate liability activity for the year ended June 30, 2002 was as follows:

Increase due to excess investment earnings	1,458
Increase due to unrealized gains on investments	<u>309</u>
Rebate liability as of June 30, 2002	<u><u>\$ 2,272</u></u>

NOTE L - INTERFUND ACTIVITY

In accordance with the Resolution, net assets in Residential Revenue Bonds are restricted and pledged to bondholders. However, restricted assets may be transferred to other funds, subject to the provisions of the Resolution. Generally, an officer of CDA must authorize such withdrawals and a cash flow analysis must demonstrate that sufficient monies remain in the Resolution to meet the obligations of the Fund in current and future years.

During the years ended June 30, 2003 and 2002, the Fund transferred the following amounts, as permitted among Funds:

	2003	2002
Single family commitment fees transferred to the General Bond Reserve Fund	\$ (723)	\$ (1,252)
Cost of issuance on bonds transferred from Single Family Program Bonds	189	1,071
Interest income due to Single Family Program Bonds	-	(41)
	\$ (534)	\$ (222)

As of June 30, 2003 and 2002, due to other Funds consisted of the following:

	2003	2002
Servicer receipts for participation loans due to Single Family Program Bonds	\$ (146)	\$ (305)

NOTE M - MORTGAGE INSURANCE

Substantially all CDA's mortgage loans have mortgage insurance as described in Note D.

FHA insured loans in Residential Revenue Bonds are insured in an amount equal to the unpaid principal amount of the loan. All other loans are insured by the VA or USDA/RD at various coverages. These coverage levels are sufficient so that no pool insurance or reserves are required. Premiums are paid by single family mortgagors.

NOTE N - PENSION AND OTHER POST-RETIREMENT BENEFITS

Eligible employees of CDA and employees of the State of Maryland are covered under the retirement plans of the State Retirement and Pension System of Maryland (System) and are also entitled to certain healthcare benefits upon retirement. CDA's only liability for retirement and post-employment benefits is its required annual contribution, which was paid in full by CDA to the State of Maryland prior to year end. The System prepares a separate audited Comprehensive Annual Financial Report which can be obtained from the State Retirement and Pension System of Maryland, 120 East Baltimore Street, Baltimore, Maryland 21202 or by visiting the website at [www.sra.state.md.us](http://www.sra.state.md.us).

NOTE O - SUBSEQUENT EVENT
