

# Legal Services Providers

The Department partners with nonprofit legal services providers that assist homeowners whose mortgage company has filed a foreclosure action in court. If you have received a Notice of Intent to Foreclose (NOI) or an Order to Docket (OTD) from the courts, consider contacting a legal services provider as soon as possible. Contact a provider that serves the area where your home is located. **IMPORTANT:** If you contact or are referred to a legal services provider for help with your HAF application, you **must** complete the provider's intake process before receiving assistance. Additional information about nonprofit legal services providers in Maryland is available here: <https://www.mlsc.org/news-resources/find-legal-help/>.
